ZONING DESIGNATIONS

SANTA CRUZ COUNTY, CALIFORNIA

The Zoning Ordinance is maintained by the Board of Supervisors to implement the General Plan. Where the General Plan designates "Neighborhood Commercial," the "C-1" Zoning District offers a list of uses, from "Administrative Offices" to "Upholstery Shops."

Along with describing the allowable uses, the Zoning Ordinance provides standards to limit building size and to provide adequate light and air. More than 500 pages long, the Zoning Ordinance addresses a great diversity of land-use issues. Not sure how many chickens or rabbits you can raise? The Zoning Ordinance has a number for you.

Find your answers by searching the ordinance on-line, visiting the Zoning Counter or calling the Zoning Information Line. Planners are available eight hours a day -either by phone or in person- to answer your questions and to provide assistance.
